“ We loved your bubbly personality. You always made sure we were in order. We had so much fun hanging out and stepping with you. We will miss you terribly. We are praying for God's strength for your daughter and the entire family. Love always, "The UNT Omega Gems"

“ I still don't want to believe it's true and I keep hoping I was only having a nightmare. Working with you over the years has been an absolute pleasure. It's always wonderful working with others who fight for the underdog and you did just that right up to the last minute. I will so miss that beautiful smile and can yearn you saying "Hello Sunshine" no matter what time of day or how long we've been working. Your kindness and love is infectious and will live on in my heart for the rest of my life. Hoping the hole in Arrian's, family, and friends hearts will be patched quickly by the memories you've left behind. Safe Journey Sunshine.

“ Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me. John 14:6

Sister, I miss you so much. You are the glue that holds our family together. Your love and fun spirit were refreshing. Our hearts are sick from your loss. Love You

Arrian hold God's hand and know that all of our family is here for you. Love You

“ There is absolutely no words that can describe the loss I feel. When I first learned of the situation and flew to see you, I was praying for a different outcome. My plans was not God's plans. My heart misses you, your smile, your calling my name. But you know at the end of the day, I'm good because you lived your best life. We should all be so blessed. I hope to see you again. My sweet Muffin
