“ Willie B was my Uncle as well as my brother, we were always together, people would always say there's Darryl and Willie B. We grew up together since the age of 13. We rode motorcycles together, got in trouble together, and celebrated together.

Willie B had a huge personality, he was always larger than life, and his weekly phone calls and 'news update' about everyone and everything will be greatly missed, as Willie B knew everybody, and everybody knew Willie B.

I loved him and am now left wondering what struggles and challenges he was facing that brought his life to such a tragic end. I pray that he finds rest in the arms of the Savior, and eternal peace for his soul.

You will be missed, loved, and never forgotten!

Your Nephew and Brother,  
Darryl Brooks
