“ Wow I'm still in disbelief about the passing of Aaron...I remember that summer of 90 chilling in Wilmer on the back of my pops truck sitting outside for hours laughing and telling jokes with u ..your brother boo boo..mark..Donald Berry (may they ALL RIP) and ken Johnson ..just enjoying the simple things in life...  
Wilmer will always be a part of us ..it made us a small family bc we grew up together...no matter how long it was in between time when we saw each other we immediately spoke..reminisced about growing up in Wilmer and would part ways always knowing we was family...regardless  
May u rest peacefully and that ur family have peace knowing that you are no longer suffering...  
RIP Wilmer fam

Sincerely LaShan Johnson and the Johnson family
