“ *I'm still in shock.....still don't know what happen ... can't believe someone would take your beautiful life ... I never meet you in person only on face-time when you and my grand-daughter Alizay (ur baby girl as u call her) You was very polite and sweet and always with big smiles , especially when you spoke of your son, in your voice I heard all the love for your son you're a very proud daddy. I can't believe you knew my BF Wendell (live directly across from your mom) he told me, he knew you when you was just a little boy how you grew up and even cut his grass as you got older.*

Alizay talks to you, ask if you was in a happy place, you let the sun shine on her...

Thank you for sending her your message that you're happy in heaven. Me and Alizay will watch all the video of you and her or just you, you were so happy in life....

I pray for your family and son... Rest in Peace Malik.....

Your good heart has stop beating,... a beautiful soul ascended in heaven

You will be miss
