“ I was so shocked in 2019 to hear of the passing of Alem. She was a godsend to all she encountered. Her love for Ermias (her son) made an indelible impression on my mind, heart and soul. That love helped me with my own children—as a guide. Her commitment to family was also noteworthy, Walé (her brother) was a constant loving influence. It was he who, on a chance meeting in Lansing, MI, made me aware of her untimely transition. I loved her—deeply. My immaturity allowed me to lose her as an excellent helpmeet. May your wonderful soul rest in blessed peace. I will see you in Heaven

“ Miss Alem was the best nurse I have ever come across. Her bedside manners, her kindness, her genuine care for you and any and EVERY patient was beyond words. And let's not forget about her straight forward and tell it like it is demeanor. She never steered us wrong and always liked out for our best interest and health her at General Motors. I/we genuinely LOVED and appreciated her and her presence will be forever engraved in our hearts but surely missed in the physical. I am praying for her family during their time of grief and pray for their strength.
