“ *The first time Grandma met my 5 foot tall, just over 100 lb wife she cooked. Then she cooked. Then she cooked some more. When we arrived at the house, the dining table was covered in food. I asked, "Grandma, who all is coming to dinner?" She said, "You and your wife Baby. Look at that little thing. She needs to eat." I said, "Grandma, we can't eat all that!" She said, "Eat what you can Baby. Take a little walk then come back and eat some more." :-)* I love you Grandma. I miss you. Forever.
