“ Betty was a member of my Sunday School class. She always had a beautiful smile. She was also a member of my Tuesday Morning Bible study class.
I always enjoyed talking with her. My condolences to her son.

“ This message is intended to bring some comfort to the family of my former classmate, Mrs. Bettye Wilson Brown. Bettye was a vital part of the class of 1966. She was a very studious young woman with a big, bright smile that was warm and welcoming. We shared lots of hours together in the band room, after-school band practice, marching drills on the football field in the summer, and rides to the games where we would perform at halftime. Bettye was a very kind classmate, and I don't ever remember her having anything bad to say about anyone.

I regret that I didn't have the opportunity to know her as an adult, a wife, and a mother - I was a military wife and deployed with my husband - I consider it to be my loss. Thank you to the family for leaving this space for me to share. You will be remembered in my prayers as you mourn the loss of your loved one and my friend. May God richly bless each of you. So sorry to hear about the passing of your mother/sister. I have many memories of the fun things we did back in the old days, I will always remember her as a happy person ready to try anything. May you take comfort in knowing that she was loved and enjoyed her life. I will keep the Brown /Wilson family in my prayers. Joyce Lane Hasley. Tyler, Tx Class of 1966
