“ My favorite memory of Brenda is when my sister Katrina and I went and stayed with her. She fixed spaghetti salad, which I had never had before, it was so good. I kept sneaking the leftovers. I remember meeting her family and how nice they all were to me. Most of all I remember how she was always there when my sister Katrina needed her, I loved that about her. Rest in peace Brenda, and thank you for taking care of my sister.

“ I remember when Brenda & I were kids, and her grandma would bring her to our house for my mom to do her hair. We always had so much fun. I don't recall us ever even bickering. She was always so sweet. Rest Easy Cousin.
