“ *Dr. Carolyn Johnson a.k.a Mother. You taught me how to pray and seek God at a higher level. I thank God for the phone messages with prayers, moments at your home discussing business topics. You will be greatly missed. I hear your voice in my spirit. Rest well in eternity. I will never forget you!*

Please read all the way down!!! Hello everyone this angel found me in Heb and was praying for my family and we kept in touch, my husband and son painted her fence that she was praying to get done, while her and i would talk and she would minister, she called me frequently just to pray, she had such a sweet soul and she is dearly missed by us, she played me music that she sang ministered to me every time I came over, before she passed over to be in the presence of our holy Lord i took her out to eat and she gave me an anointed cloth and prayed for me. I miss her oh so much.. I didn't know she passed so I missed the funeral , I went by her apartment to check on her as I always did the mail man told me she had passed on and that she would pray for him and minister to him as well. God bless her in heaven she ran her race to the finish line. I would love nothing more than to somehow get one of her books or an album she sang or please please send me a picture of her. I miss her voice and would love to hear her sing, or her talk show she mentioned I would like to hear it as well. Touch base with me someone I would be more than thrilled to receive a pic and a album (CD) or a book ill buy it if need be. She always talked so highly of her family and the two little red headed girls beautiful. My number is 254-229-2974 my name is Ashley

“ Oh Mother, you regal and graceful Woman of God. You shone so bright in all our presence and I miss you more than words can articulate. My deepest gratitude for the simplicity and direct targeted way in which you shared the love of God and exemplified to us the way in which we ought to walk before the Lord and you. I smile even now at the memory of very encouraging word, soft hard rebuke and the way your eyes would shine when you got excited. God speed mother, hasten back to the arms that love you best. Well done, well done, well done! -- Deepest Love & Affection, Pastor Alicia Polydore-Thibodeaux, Daughter
