“ There are days when I sit to myself, and wonder why she left us here; but I know that God truly wanted her more. My grandmother was a beacon of light and hope for all of those who needed it. Her words and memories will forever ring in my ears, and stay embedded in my heart. Love you Grandma!!!!!!

“ I feel like part of me has left this world. Carolyn and I had been friends most of our lives; our mothers were life long friends as well. She was one of the kindest persons I knew and we always supported each other. She had a pure heart and a loving spirit and would do anything for anybody. I know she is with God because she walked with Him daily. Although you have left this earth my friend, your spirit will live on in all of us who loved you.

“ The world is a little darker because one of God's brightest lights has gone out. It is rare to meet a personality like Carolyn Regis - she was unique in so many ways. Although we were cousins, she always embraced me and my family with a loving bond of sisterhood. Her spirit will always be with our family.

“ The Lord has once again picked one of our precious flowers from His earthly garden. Carolyn was more than just my cousin, she was my friend. She always knew how to encourage and build you up. Family was very important to her and she enjoyed every opportunity to be with us. She was just a unique individual and I shall miss her a lot. To Tracy and the rest of her family, be encouraged knowing that she is now in the arms of her Heavenly Father - in other words - she reached her final destination. My God continue to comfort you all.

“ *My heart is truly sad at the passing of my dear God Mother. She always had encouraging words to offer me and she cared for me like her own son. To Tracy and the rest of her family, may God be with you all.*

“ *Only God can fully understand a broken heart; losing a close family member is always rough but it's times like these that we need our Heavenly Father to guide us through. Carolyn was my niece but in my early days in New Orleans, she was also my roommate while I lived with her and her parents. She always had a gracious spirit and a loving heart; I shall miss her dearly. My the God of all comfort be with you all during this time of transition.*

“ Carol reminded me that God had already answered a prayer I had,
wasn't how I asked. That why I hadn't realized it. Will always
remember her. Former Swb- coworker

“ Mother Regis was a Beautiful woman of God and when she opened
her mouth she would warm your Heart. Mother Regis came to
Shekinah Glory Community Church after leaving New Orleans after
hurricane Katrina. She found our church and started coming to
Worship with us. She was our very First Mother of our Church, and
she was under Watch Care with us. We Loved Mother Regis Spirit
and most Importantly, the God in Her. We Will Never Forget Mother
Regis and We Know that She's in the Arms of the LORD. So Rest
Well Mother, Rest Well.

We Love you

Community Church Family.

“ I will always remember my cousin as one who could make you smile, laugh, and cry all at the same time. I can hear her say " come here Isaac Jr and give me a hug boy". To Tracy and family, rest assure that she's in the arms of the Master Jehova because she was a believer. Cousin Isaac

There are no words that can express how my heart feels at the loss of my cousin, my friend, my sister. We shared so much of life together. She had a warm heart, a gentle spirit and a loving nature. She was kind to everyone she met but family was truly dear to her. She always had a Godly word for every situation and everyone she met. I have no doubts that she is with the angels just waiting for her assignment. Her spirit will be with me always. To Tracy, the grandchildren and great-grandchildren (who may never remember her) may you find comfort in knowing that you were the apple of Carolyn's eyes. She loved you all more than life itself.

Beautiful picture, I'll never forget that smile because that's the smile I've seen so many times before. There's so much I can say about my friend/sister. I'm so great full for the times shared in our City Hall Bible Classes, prayers in the Council chambers bathroom , and prayers in the stairwell @ SWB on St Charles Ave in New Orleans. I thank God, thank God for a DEAR FRIEND.

It is never easy to say goodbye to someone you have known all of her life. Not only was Carolyn my niece but she was also a person who offered words of wisdom to her old uncle. I know she is with the angels but she will be missed down here.
