“ Our time with you has come and gone but the many memories we have will last a lifetime. I will miss our endless talks about classic cars and drag racing but we will meet again. You are missed🙏

“ I know I barely got to talk to you in this life time, but I am thankful you are my uncle. I may barely had any time with you, but to see all the people my Uncle Jr. impacted is a testament in itself. Family, this is a trying time, but do not be dismayed but be encouraged for God is near. This is the time to come together and be unified. Let's honor this man's life that I am grateful to God for. Praying for faith, hope and strength, family. I love you all and I love you unc.

“ My dear brother you will truly be missed by many family members and friends we have been through the good the bad and the unforgettable but we were always there for each other. To be absent from the body is to be present with the Lord. To live is Christ and to die is gain, you fought a good fight we loved you but God loved you best. Your famous saying whenever you would hang up the phone was love you and call me if you need me. We will see each other again on the other side of Glory. Already missing you rest in Christ Jesus.

My Dear Uncle Jun Bug

I am truly going to miss you. Your funny antics and the joy you use to have on your face, when you would show off your newly found "antiques". Thank you for always being there for me when I needed you. I am very grateful that I was able to serve you as much as I could in your last days. I will truly miss hearing you say "Call me if you need me".

Love your, Niece Keisha
