“ Though you're gone your memory still lives on. In the laughter & love we shared you were a bright light, and we'll forever cherish the bond, your love will be forever etched in my heart your were always a bright light in our heart and your absence is deeply felt. I'll always cherish the memories we had together. We will grieve your presence in our lives til the end of our days. I know God took you home as well we shall meet again at the end of my days here on earth.

“ To absent in the body, is to be present with the Lord. To know Chris Davis was a blessing, we not only shared 3 beautiful children together but many memories. Chris was a man with ambition, a good heart, and kindness. Even when life through him curve balls he kept facing his destiny. Our hearts will be weary, and time will help guide the void that you left for your loved ones. Yet I smile Chris because I know God has you, wear your crown and have everlasting peace forever. You will forever missed
Love your friend and mother of your children
