“ *Daddy,*

Thank you for loving me. You were the missing piece to my puzzle. To know how much you loved me means the world to me. I feel so blessed for having you as my dad. All the people you touched has been the comfort that is keeping me now. So many people are saying you were like a father to them. You help so many even on your death bed you still t tried to help others. Words can't tell you how much I'm missing your everyday calls just to see what's up with me. What I would give to just hear your voice right now. You gave the best advice and you helped me to look at things from someone's perspective.

Daddy you rest well for now. One day we will see each other again. I know GOD has welcomed you in for all the good you did.

I love you forever, your baby girl, Deb 🥺❤️

“ *Bubba T, you have been a step-father to me & my siblings for more than 30 years. I will always remember your words of advice & guidance through life's journeys, that comedic behavior ('Don't mess up my happy home' & how you always squirmed out of me offering to make you a meatloaf, lol) and how you looked out for my Mom, Jennifer Empy, from the day that we became a blended family. You have left a legacy, touched so many lives and have graciously earned your wings. Fly high! Love always, Gina*

“ I feel so sad that I didn't see you again after moving to another state in 1963 but my memory of you and of the 3 years that we were neighbors and friends /Bonus brother has always been special 🙏💙!

We had fun with the rest of our small group of true friends ☐ in that short time that remains in my Heart ❤️ and Mind!!!

I know you are Sleeping Peacefully with The Angels 😊

Much Love from Joyce Holloway/AKA Arther Leigh Price.
