“ I met Craig 30 years ago in Duncanville, he always spoke kind words. He will be missed, I'm praying for his family.

“ I met Mr. Ross while he was working with Dallas County. He was a kind counselor and very inspiring; I'm deeply saddened to hear of his passing. My condolences to the family and especially my former classmate, Khalid. May you be comforted during this time of grief.

“ I worked with Craig Ross at Cornell Corrections in the mid 90s. He was a wonderful supervisor. He was always honest and direct in a non-threatening and humorous way. I still remember things he said to me and our clients that were meaningful and helpful. He inspired me to be the best I could be and he impacted my life in ways he probably never knew. I still think very fondly of the years I worked with Craig and the team he built at Cornell Corrections. My heart felt sympathies for his family. 🙏

“ Please accept my deepest condolences during your time of grief. I met Craig about 30 years ago and found him to be a GENTLE MAN as well as a gentleman. I watched him grow into his new way of life with vigor and fearlessness. We (I) will miss his presence and his sharing in group meetings. May he rest in the arms of our Lord. And may you and your family grieve with love and patience. Carolyn Mitchell

“ Cousin Craig. When I first met cousin Craig I was young and short, I was intimidated of his height, and when I heard him speak I wasn't so intimidated because of his cheerful personality cousin Craig was always smiling , seeming not to have a worry in the world. To me he was a pleasant man.

“ Brother Ross was the tallest of our Omega Psi Phi line and I can remember meeting Craig in the Dining Commons at American International College 2rd semester in 1967-We cross the burning sands in April ‘68-He truly was my Big Brother as we pledge and helped me along- Never forgot him get my driving lesson in by using his car and rubbing up his white wall tires-Never complained-God Bless Bruh Ross and family-He truly will be miss but memories remain in the heart-My line brothers call me “H” but he would call me the LoveMan

“ My first day on campus at AIC I saw this tall brother with this beautiful sweater. I told him that day I was going to be his brother and I became a Que and he was my Dean of pledges. He also allowed me to experience my first Kwanza celebration with his family

“ *The Corria family send our deepest condolences to Craig’s family. Craig and I have some common likeness, facial likeness and being born on the same month. I was a year older. He use to come down to providence during the summer to spend a little time with us. Standing on the front stoop of the store, talking with everyone, making friends with all the kids that walked by. Going to dances, trying to dress as fly as possible. So sorry we hadn’t seen each other more, and talked about old times. Laughed a little more! God Bless Cuz, R.I.P., 🙏❤️🙏❤️.*

*Craig was a godsend to me and Men's Al-Anon in Austin. Our recovery and belly button birthdays were in the same months, and he helped me grow in recovery, especially with my struggles when my stepson was living with us. I thank God that Craig has been in my life.*
