“ I love you, I can't say it enough... I didn't hit me until I came on this website, and I saw your name.. I made it through yesterday not hearing you sing happy birthday loudly to Eli in the background while he talked to my mom.. that was your thing to do for everyone of us on our birthday, I'll definitely miss that. Growing up, I spent a lot of time with each one of y'all (my aunties) and each of you taught me something different.. you are the reason that ain't nobody messin' with my homemade burgers, Lol you taught me how to make the juiciest burger one summer, and I may have made it every day until school started. As I'm typing this I started crying, and the person who you'd think would be crying along with me has been sooooo strong, Peyton is so happy for you, she misses you, but all she says is Aunt Debbie is happy, she's with your granny, and she's right. But maaan it's hard. I love you Aunt D rest peacefully ❤️
