“Diamond, This is your brother Brandon. I Love you as you always said We all we got! God has a wonderful Angel next to him now. Out of all our siblings we were the closest. We been thru so much together and you was taking way to soon. You tried so hard for me and pops to have a relationship, I know you looking down seeing me and him have came together and we put the crap behind us. I'm sorry I wasn't there in your time of need but know this! Your brother Brandon Loves you and you will never be forgotten!

For the past few days she has been on my heart. This is one I definitely will never be over or ok with me. I hurt everyday. Everything reminds me that your gone and I can only cry. We were Thelma and Louise thick as thieves. I miss you Cha Che that you must know, but your worries are done now so rest in paradise and save me a spot. I love you Diamond.
