“ My memory of Pastor Dino was when my mother was in the hospital and he talked me down from a rage I had Pastor got me closer to God. I remember he told me in the hospital hall way that I shouldn't have so much hate in my heart that I should have Jesus filling it. On the day I got baptized he whispered into my ear which now I understand when I arose from the water he said “Hijo you let Jesus in and he expects great things for you.” Pastor I love you and I already miss you I'm sorry for are last spat you did more for me and my family and you didn't deserve that part of me I wish I could tell you I'm sorry and I promise the seed you left will not die but be as strong as a Oak and as fruitful as tree of life.

“ In a short period of time my Tio, and I had created so many memories, but my favorite was our conversations. We talked about a little bit of everything, and he would make everything so funny. My Tio was, and still is so special. He will always have a place in my heart. A couple months back he had mentioned that me and Joce were like daughters to him, and he made me feel that love. That really meant so much, and I'll always remember that conversation because it brought so much happiness to my heart. To know that he cared and loved me. He is a great man. I'll forever be thankful that I got the chance to have such a great relationship with him. My Tio always believed in me, and gave me words that kept me going. He is someone I could talk to about things that I've struggled with in my past, and he was there every time to pray for me whether it was in person or over the phone. I'm going to miss him so much. I love you forever Tio 💙💙🥺

“ I have lots of beautiful memories of Pastor Dino as he was also a family friend who we knew for years. When we would visit his church he always made us feel like members of his church, My husband and I will forever be grateful and never forget when we had no Pastor to direct our father in laws funeral service since we were not apart of any church and asked Pastor Dino if he would direct the service and the Amazing Pastor that he was did it with no hesitation and Pride. Thank you God for letting us know an Amazing person of God. RIP Pastor Dino

“ One of the many I would like to share. My husband uncle who’s also went to be with the Lord. Had asked Paul knowing that I have family in the Dallas area. If someone can go pray for one of his family members that was hospitalize. Tell them about salvation he asked. Paul call Pastor Dino and with out of I doubt Dino went there prayed with them and they gave their lives to the Lord. Dino was a kind loving person who love working for Lord a pastor heart. We will miss him dearly. We had so much respect for him.
