“Wow! I just found out you're with the LORD. Doris was such an encouragement to me and all who were around her. I worked for her when she began Ariel. It was at that time that I realized she was my friend Regina's "Aunt Doris who she would often talk about. I know you're with the LORD, you loved Jesus so much.

“Sincere condolences to Sharon and family. Doris and I were friends for many years and were counterparts in employment at City of Fort Worth Public Health Department. She was a well noted entrepreneur and first African American to own a Home Health business of its kind in the City of Fort Worth. She was admired by many in her profession of Professional Nursing.

“ *Doris and I were Public Health Nurses with the Fort Worth Health Department for many years, and friends for over 40 years. Doris was an excellent nurse, loved by her patients and co-workers. She gave her life for serving others. This beautiful lady touched and changed many lives. She will be missed but leaves so many precious memories.*
