“*Doug I still remember you sitting in your food on the floor when you were a little boy and your mother looked at you and shook her head. You always had a big smile that lite up the room when you walked in. Rest in your resting place until Jesus Christ returns.*

Doug, I know you enjoyed retirement. Whether cooking fajitas in your kitchen or just sitting on your porch watching the sun rise, you always seemed cheerful. I will never forget that laugh.

You slipped away from here with that big smile. I know your with your boss man Frame(All Exotic Marble) tell my sweet heart hello and I miss him so much. Until the day we all meet again.*
