“ Redmon was an outstanding man ! He always worked hard was always stepping up to do whatever needed to be done without anyone asking. He was always smiling and always encouraging others. He loved his family especially his children. I chose to remember the last conversation we had, he asked me to pray with him that he was thinking of moving to Tampa Florida. And we prayed. He was my brother in Christ! A respectful gentleman. He will be missed and remembered by all.

“ *The past few days have been hard. Many more words to say, but no time left to say them. Many more memories to be made, but no time left to make them. Going to miss that joyous spirit paired with a smile that could light up any room, you were definitely that much needed light in many of our lives. Positive vibes always. Your spirit will live on through everyone that was blessed to know you. I will cherish the memories we shared. Life will definitely not be the same. I pray for comfort, peace, and understanding for your family, friends, and anyone who got to know the great person you were. Our hearts weren't ready, but Heaven couldn't wait for you. R.I.L my friend. Love Kam*
