“ On behalf of the Aycock, Davis, Williams family. We are forever grateful for knowing Eric. I really enjoyed hanging with Him at TC's. We pray that the family will find peace and comfort in knowing that Eric knew the Lord. We pray for strength during your time of bereavement. Lil Eric, you already know that we are always forever praying, encouraging, and whatever that you need us to do for you and your beautiful family; we're here and we love you.
