“ Most people called her "Steen" but I called her Momma Ervin. We met in 1981 at Pilgrim Rest when I moved to Dallas. She was the member that asked me to join the S.G. Gooden Choir by inviting me to rehearsal after I sat by her during a night service on Caddo and she heard my voice. Those were the best days because of the love she exhibited to so many coaching you through church functionalities and making you feel at home.

Momma loved her family and always talked about her husband Matthew before and after his passing several years ago along with all her children. Bubba, Dennis, Anita (deceased years after Matthew) Gay and Michael. She was crazy about each and every one of her children and spoke proudly. Momma was a great cook! Momma had a contagious gift of caring about you. I visited her at the nursing home on several occasions and she kept a good spirit and handled her aging with grace.

Due to my travels I am just hearing about this and praise Michael and Gay for all their hard work in caring for her and the others' support. She is smiling and so proud of you. Be faithful and God will get you through. You did your best!

Love,

Debra Lindsey Fortner and Family

“ I had the pleasure of meeting Mrs. Ervin over twenty years ago. Her personality was contagious. I looked forward to seeing her every Sunday at Pilgrim Rest especially in her later years, we'd be in the foyer chatting and laughing. I extend my sincere condolences to the family. Know that God will sustain you. To be absent from the body is to be present with the Lord. Thoughts and prayers are with you (Michael) and the family!!! Be encouraged!!!

“ *Michael and family, I met Steen (as I affectionally called her) over 25 years ago when I united with Pilgrim Rest. She was a joy to be around, I remember eating some of her great cooking on many occasions and we laughed so many times about crazy stuff. I want to commend you for the care you provided to your mother. Rest Well Steen, but remember you can't crown him until I get there.*
