Uncle Glenn this is so difficult!! Tears continue to flow. You know me i
dislike crying. The hurt and pain just want go away. Close as we are
still, you're just not here with me. I don't know how to feel not seeing
you,.. No more hugs morning/night kisses!!! You left me holding you.
You told me to be strong and i will be okay. It hasn't hit yet! My friend is
gone out of my site. You're there with God. Ask him to give me more
strength and take these tears and heal my heart again. Our "CHAIN IS
BROKEN".I'll always love you. Kisses and more kisses. Those wings
looks nice on you 💋

Uncle Glenn this is the hardest for me to take in. Just being my best friend, my go to uncle for whatever the case may be. You stuck by my side from a baby up until the Lord called you home. Walking around the house, looking in your room, no you!! You worried about me being okay than yourself. We had this together until the end. I'm lost without you. Diamond is sad. Walking looking in your room. I don't know how to feel any more. My friend is gone away from me. Uncle Glenn i miss you so much...I'll always love you. Your niece Evette 🥹💋💋💋
