“ *The days you would say things to Jeff he would come home laughing. I would say what oh something Godfrey said he is so funny Mom. You made a lot of people happy. Helped them through their days.*

Remembering the days you would come over to the deans and play football with Jeff josh and the deans in their front yard.

You were always so nice to me.

Godfrey we love you and it's so sad.

I wanted to come and honor you today but didn't get to. So sorry.

So I shall Honor you here

You didn't deserve this don't know why it had to happen. Godfrey thank you for being nice to my son. Love you Godfrey.

It saddens my soul that you are gone.

It's just not right

Love you Godfrey.

We are praying for your family Godfrey.
