“ Gee was one of my greatest loves. He knew when at a time when I was lost and because of his acceptance, love, kindness, and compassion I am today. I saved his voicemails for years just to hear his voice when I was battling sobriety. I wish I could have told him how much he really meant to me. I will always love him and maybe I'll be so lucky to meet him again.

“ GJ I'm thankful for all the time we spent together. I will miss your laughter hearing your voice seeing you make all the funny faces when I tell you things. My heart is so broken. I should have hugged you longer and loved you stronger. There will never be another like you. I will still think of you when I see something funny and beautiful just as you were. You were always generous kind and selfless. You will be deeply missed. My condolences to your beautiful family to which you loved beyond measure.
