“ To Karla, Icky, and all the grandchildren. My heart, love, thoughts and prayers are with all of you during this unwanted, difficult time. Once you knew Hattie you knew you would know her for life. I have always cherished my most memorable times we spent together in Fawn Ridge. And, eating the best food a mother could make especially her chocolate cakes. Hattie will be missed but never, ever forgotten.

“ *Karla, Renard just know your mom was a loving and sweet person from the time I met her at Booker T Washington High School. We remained friends through out the years, just know that she loved each and everyone of you. Never forget where you came from and where you are going, God is watching over all of you in this time of sorrow.*

Sincerely,

Jo Ann Conally
