“*Howell was so cool. I really enjoyed working with him. He knew everything about bus operations and always shared information with me that helped. He was a valuable asset who served DTS and DART. The company is better because his fingerprints are there Rest Howell, your work is done. Gloria Allen Smith*

Mr. Warren, was my mentor and a friend. He taught me the strategies of transportation. I learned a lot from him. I too will miss him. And remember all that he taught me. My prayers and thoughts are with his beloved family. May God give you the strength to help carry you through.

DTS/Dart.

Michael Hill-Field Supervisor. He was my direct boss. The best boss one could have.
