We at FAWC Conservatory of Arts and Sciences will truly miss your amazing smile and hugs. My husband and I will always remember your willingness to volunteer with us at the center and for Dallas County Events. You always came into the center with that big smile yelling "Momma, I'm hungry what snacks you got in here?" To the family we have a recording of him playing and singing on our guitar, if you'd like to have a copy please let us know.
