“ Where do I start from when I first mate you we hit it off and been by each other side since 07. I most definitely going to miss your sweet voice talking noise to each and joking. God put you in my life so there no goodbye cause your spirit going forever live in me. If I get another impala nobody can drive it cause when I got that car that's all you wanted to drive and I let you. I miss you and love you I keep in contact with mama and sister I can't take your place but I can continue to be me forever Nee Nee.
