“ Hi Dad. Its now 2023 and time has definitely been ticking by pretty rapidly. You now are a great pop-pop. LOL. Isn't that something? This little girl is a divine soul that has a smile that lights me up every time I see her or talk to her. I know you are somewhere checking all of us out from time to time. I've had some pretty interesting dreams of you asking if we all miss you or watching your grandson play football or even a dream of you yelling at the T.V. while watching basketball like you always used to do when you were here on earth. LOL. You've even asked how granddaughter was doing. You are missed for sure. You still owe me some quality time for us to sit back and drink some cognac while puffing on a nice Cuban cigar. I haven't forgotten. I miss you dad. Until we meet again!

Love, Daddy's Baebayyy,

Kianna
