“ *Dear McMillion Family*

It was with a great sense of loss when I heard of James death. I wanted to let you know that our heart is truly saddened.

James was more than just a wonderful person; he was always so kind and considerate to us that we always welcomed seeing him at every opportunity.

His passing will not only leave a void in our lives, but in the hearts of all those who knew him. James will always remain within our heart

Our sincere thoughts and prayers are with The Family

With deepest sympathy,

The Bennett Family

“ *My condolence to the McMillon family, I will never forget how God used James as the “ram in the bush” during my time of need with my son. The Lord will provide. Wonderful servant man of God will be missed but never forgotten*
