“ *A Limb Has Fallen From the Family Tree*

*When this day starts without you
And you are not here to see
The sun shall rise and find my eyes
Filled with tears just for you.*

*Oh, the tears I am crying
And the pain that in in my eyes
As I am reminded, you are still with us
Because love never dies.*

*I wish so much I wouldn't cry
The way I did today
While thinking of the many things
I didn't get to say.*

*My days are filled with memories and love
I just close my eyes and realize
You are now celebrating in Heaven above.*

*And when the sorrow overwhelms me
I just pray and God will help me be strong
For I know have found peace that He alone can give
Know you are Home where you belong. 💖❤️🙏🌸*
