“ *Even though you know James absence from his body means his presence with God and your parents, it doesn't take away all the pain of loss in your hearts. Please know I am praying for your hearts when the pain seems too much to bear. Even though you know this, it is still good to hear that God loves you and He has you held close to His heart extending His peace that surpasses all understand.*

“ *"In the midst of disappointment, heartaches, and pain no matter what you go through over the next days, weeks, months, and/or years, be encouraged in knowing God's got it all under control. Draw closer to the Lord, and watch Him draw close to you. Be not dismay, God cares and He will take care of you and the family. James was one of three young men after his dad's own heart who represented the Stevens Family well.*

*Much Prayer and Love to my Family!!
