“ Jesus, He was not just a Great and loving Father to his daughter, but also a Friend and soul Mate, He was a Great Big Brother to Louis and loved unconditionally to all his loved ones his passion to thrive to do better in life was so over powering. He loved to help and be there for the ones most in need. I still Can't believe he is gone waking up everyday knowing we will never talk again kills me inside. Jesus was wonderful in many ways and Whatever he put his mind into he would accomplish when he loved he loved hard he held on to the things most valuable to him. He will forever be in my heart. The last 18 years of friendship will be missed but forever you will stay in my mind and soul I love you truly my friend for forever and ever I will love you for eternity waiting to see you again one day.
