“ *As a little kid, you taught me to smile, and enjoy my adolescence. As a little kid, you taught me right from wrong and I learn my lessons, As a little kid...you was there for me, thick and thin, as you made time for me when can.... As a little kid there would be nights... I would be cold, hungry or scared, Not knowing when my daddy would be there.. As a little kid it wasn't a day I hate you, I loved being around you, Talking to you, laughing, crying, mad.. saying daddy don't leave me!!!... Don't leave me... As a little kid, O' what fun I had with daddy, my flesh n blood..my heart n soul.. My only daddy.. I'm daddy's baby girl...*

Rest n peace daddy love (Shon) Kassomi

“ *My Dad. He was a smart man. A good hearted man. A survivor. A protector. And a loving father none the less. I Love You Pops. No More Pain.*
