“ *I remember he used to call my Half-Pint, because of the story of how I was born and my small journey into the world. When I was younger we bonded over pepperoni pizza and Dr.Pepper. He was always supportive of me and was someone I could talk to about anything. He often told me stories about our family and the mistakes he made. No one is perfect, we all mess up. He showed me I could still mess up and be a beautiful person. I will always remember his jokes and crazy personality.*

I love you always Uncle Jimmy

I hope you are at peace with Granny and Grandpa give all our family a big hug. And we will meet again amongst the angels.
