“ *Our hearts go out as prayers go up for the family and friends of John Jackson. Our beloved brother and ministering gift to the body of Christ ever encouraged us to look ever to Jesus and fortified our faith with his testimony of God's presence and healing and provisions and power and eternal promises. We are glad God put Big John on our life's path and the blessed fellowship we experienced. We pray the vision and memories of John in the background of the coming great reunion with Christ for the repeatable story of how we got over to glory and shout of praise to Jesus. We love you family and will continue in our posture of prayer for you with our hands extended in help as you communicate support needed. Thank You Lord for John... Sheila and Cedric Wooten*
