“*Brother Johnny Sheldon was one of the sweetest and kindest souls anyone could have ever met! I've only been a member of New Generation Baptist Church for 4 years..but during the time I've been there I was always happy to see Brother Sheldon. He always had a glowing smile brighter than the sun and a personality that radiated the love of Jesus Christ! He was full of rich love for his church and was a joy to always shake his hand. Even during his illness..he always had that sun shiny bright smile combined with his contagious positive personality. My heart sank when I heard about his passing..but I know he is happier than ever dancing with his Lord and Savior Jesus Christ and rejoicing with other loved ones that have passed on. God bless you Brother Sheldon and I am so glad that you have enriched my life during your precious time on this earth. Say hello to my parents for me okay? Love you Brother and I pray strength for your family and our church family of New Generation.*
