“ To the family,

I did not have the pleasure of meeting Mrs. East, but I know her son and daughter-in-law. The way that they speak of her and her kind loving nature makes me feel that I missed out on knowing a wondrous woman. I see the heaviness that they walk with since her passing. I also hear the love and laughter in the stories that they share. I pray for each of you to remember her with love and light. Feel the loss and lean on each other for support. Be strong for one another and never stop telling her stories.
