“ It has been a absolute blessing to have you as my Mother In Law for 48 years. You have always loved me without judgement. We have so many wonderful memories that I will hold in my heart always. You were quiet with words but powerful in thoughts and deeds. You were a wonderful grandmother and we will never forget you. I love you, and now you rest in the arms of your creator. ❤️

To the son and daughter in law your mother was an ever example of the Love of Jesus. When we were children in school and I met Ms Lillie she was a quiet women with a smile that lit up her whole face. I pray for for you and God's comforting love and peace fill the void that you now feel. Shelia Holland
