“*Mr. Piper, the word of God tells us in 2nd Corinthians 5:8 that to be absent from the body is to be present with the Lord. So, you take your well-deserved rest, and we will see you in the morning. My memory of you is when my girls were 2 years old and 2 months old, my house caught on fire. It was late at night, in the winter, and extremely cold outside. When everyone else stood outside watching (all bundled up in their coats), you ran past them all with only a wife-beater T- shirt and a pair of jeans (no shoes or socks). You ran upon my porch to help ensure we were all safely out of the house. I never forgot that night and I will always be eternally grateful for you springing into action and helping us. You exemplify what it means to be a true neighbor. You have always been such a kind and caring person and will truly be missed by the Arlington Park community. Take your rest Mr. Piper. We love you!*

“Dad, the memories are countless and will be greatly missed. If I had to pick one that I think everyone encountered, it would be treating everyone equally. No matter who you were you would make time and truly care. Our one on one talks will be the most missed, I will forever value those moments that groomed me to be the man I am today. Dad you will always be my role model a true image of a real man, a man that takes on adversity with out hesitation, a man that values family. In 93 years you made this world a better place, so whatever wisdom or words that my father shared with you please remember and honor him by sharing them with those you loved because he did.

I love you Dad, your Son

“To the best neighbor anyone could've asked for, thank you so much for being the kind person you were and welcoming us into the neighborhood. I was a baby when we moved into our home and I am now 23 yrs old and will never forget the boxes of chips you would bring to our home throughout the years, how you would welcome us to your backyard to jump on the trampoline, and would allow us to come by and buy some candy even when we didn't know how to count money yet. I can say that you were the person that welcomed my parents into the US even when they did not speak any English. You allowed us to call you Pipa as it became a nickname from my parents not being able to pronounce Piper. We will miss you coming by and knocking on our door as well hearing that doorbell of yours and seeing you open the door. You will truly be missed by the Arellano Family. □ Thank you for being the best neighbor ever.
