My dear mother is RIP I am really missng her. She really prepared us for this day but we were not ready. We loved her but God loved her more. How can I forget the the things you taught me I will never forget.

97 years we had her but was not ready for the day she left it was so fast she was ready to sleep in her heavenly home.

Madea I will always be your baby girl who kissed you the day before you left me, you said that was a good one. My kiss will be forever inbeaded in you.

You told us not to cry because the day would come when you would not be with us, you said we would make it alright. But right now I'm having a hard time dealing with you not being here. I know you are looking down on us to see what we are doing, well you know what I am doing crying everyday for you.

I'm praying that God will give me strength to live on without you.

Your baby girl Dorothy love you Madea forever.

“ Ms. Hopkins will be missed. I grew up in the "bottom" and know the whole family. I am sorry to hear of her passing. May she rest in peace and we will see her again when we get to heaven.

“ Aunt Lonnie

*God saw you getting tired,
And a New Address on this old Earth was not
to be.*

*So, He wrapped his arms around you,
and whispered, "Come to me." I have a place where all are free.
The life you've lived has been your Test. Now come to me and I will
give you Eternal Rest "*

*And after 97 years of life in this earthly place, he gave you rest.
I hear God's Heavenly Garden is a Beautiful Place. There are trees
of fruit, and the streets are paved with gold.*

*And when he saw you sleeping,
So peaceful and free from pain.*

*He quietly called your name. Going home to the Heavenly Father
was a victorious gain.*
