“ Words can't explain how hurt I am that you are gone. I'll miss you forever, I can't say I'll recover from this pain I'm in, but rest lil bro I know you are finally free..finally at peace. I keep seeing you when I try to sleep, you keep telling me stop crying, but I didn't want you to go so soon- I can't help it. I love you so much. Watch over us, I know now we have a special angel to look out for us.
