“ Mady we truly will miss you and I will always love you. It’s making me a little sad having to say this. Everytime you called was a good time with the crazy questions or advice you would ask for. You were such a sweet soul Mady I truly adored you. Ima miss your laugh, smile, insults, compliments all of it. It hurts not being able to see your calls come through. You really meant something to me when it comes to having a friend.
