“ *The Giddings family and the Cooks family have been very close for many years . We were even once neighbors years ago when we lived on Bermingham street in South Dallas. Mother Giddings was a very dear friend of my mother . I remember Mother Giddings telling me that my mother was one of her first friends when she moved to Dallas . I also remember that the two of them along with a few other Saints from the church would go to Memphis for the National COGIC convention every year . Our family will be in prayer for the first at this time as they were for us when our mother passed away several years ago .Mother Giddings will be missed. Submitted by Gary Cooks.*
