“ Hi Wanda,

Sending you and your family my deepest condolences. Marie will always be special to me. I have such fund memories of her; I remember when I would spend the night at your house when you lived on Spring Ave., and we would stay up past our bedtime talking (whispering)about the Jackson 5 and she would come into the bedroom and turn on the light and we would pretend we were sleep. We would play that cat and mouse game for hours until one of us would giggle when she turned on the light and she would tell us to go to sleep. I remember watching wrestling on Friday nights with you and her and she would get so excited about the wrestling moves. I remember “monkey baths” and who could forget cordy mae! I remember coming by her house after I became an adult and we would sit on the porch for long periods of time and talk and laugh about the cray cray things you and I did when we were younger; wow Marie had a wonderful laugh that was so genuine. I know she is in heaven in the presence of Jesus and what an awesome assurance! May God continue to wrap His loving arms around you and your family and comfort you with His endless love and peace doing this time of your loss.

Love you,

Kim Cleaver
