Aunt Mary will be sorely missed, I'm so thankful for the many family gatherings she attended. The memories will last forever. God Bless us all during this time of remembrance and grieving.

*My Big Sister, confidant, protector she took care of her little sister growing up...
Going to be difficult not hearing her voice, we would talk about everything .No more pain and suffering my sister. For Jesus received you into his loving arms the month you took your last breath.
Blessings to our Family*
