“ To the family, My heart goes out to all of you during this life-changing loss. I only had the pleasure of seeing your beautiful mother a few times but every single time, she was a loving and joyful presence to be around. She always greeted me with a hug and smile. My prayers will be with all of you often and I pray for a peaceful search for your new way of living in this life. Rely on her words of wisdom, your love for her and each other and the signs of her spiritual presence to guide, strengthen and renew you.

With all my love,
Saundra Brown
