“ *You could always light up a room when you arrived at work and we would laugh and have a good time at work. I would always message you to check on you and your girls and you would tell me they are doing good. You will be truly missed. Maybe you R.I.P my friend.* ”

“ Rest in heaven Minevera! It still seems unreal that your gone! We didn't always see eye to eye but you respected me enough not to disagree with me. I love the way you could light up a room with your presence! Anyone that came in contact with you will say you lived your life to the fullest! I am thankful I got to see you towards the end. To let you know that I still loved you and you would always be family! I pray for your girls to keep your memories alive! Rest In Peace ladybug!

“ I'm lost for words. Minerva a.k.a Peaches was a great friend of mine. She was my best friend. I met her when we worked at Kroger in 2011 & we were friends from day 1. She was always smiling & enjoying life & always made me laugh. No matter how much time went by, everytime we linked up it would be a good time & a pile of memories to talk about for the next time we got together. And she LOVED her daughters so much. Always telling me & showing me pictures. I will truly miss my friend & I will never forget her character. R.I.P. my friend Peaches.
