“ *Growing up, Ola Jane and I lived on North Moore in Tyler, Texas. We actually lived on the same side of the street about five houses from each other. She was a Drum Major with Scott's Marching Band, so if she was not at school practicing, she was practicing piano at home. Although our lives took different paths, she will not only be missed by me but by her classmates; Emmett J. Scott 's Class of 1959 and other Scotties who knew her.*

“ To All of the Family, Wannetta, Darren, Marlon, Tonia and all of the Family a Jewel has left us and gone on to be with the Lord. She lit up the room with that amazing smile and was just an amazing person through all she did whether behind the scenes or in the forefront. I am praying for all of you during this time and pray that Our Lord and Saviour, Jesus Christ, will give you all that you need at this time to give you peace and strength. Love you all and praying for all of you.
